Newsletter – December 2020

This Month we focus on Honey Bee Beauty Products, Gift Packs and Wellness Recipes

Honey Bee products are made from Natural and organic
bees wax, honey and propolis.

- Honey is clarifying as it fully opens your pores
- Honey Bee products are full of antioxidants for a healthy body
- Honey is a complexion booster as it is rich in moisture to sooth your skin
 - Honey is naturally antibacterial
- Honey Bee Propolis has anti-inflammatory, antifungal and immune modulatory properties

Try our starter facial packs to experience the benefits of these natural honey and propolis products.
